Sir,

In November last a children's conference was organised and held at Vittal, a village about 27 miles from Mangalore, by Mr. M. Shiva Rao, the President, Taluk Board, Puttur. The object and aim of the conference was to collect together by means of a social gathering, selected school children from different places and educate them by mutual exchange of knowledge. The municipal council had decided to send two of the teachers from their elementary schools

and

and 10 boys at one from each of the elementary schools for boys for the said conference and sanctioned a sum not exceeding Rs. 25 towards the expenses. Two teachers and four boys actually attended the conference and a copy of the bill towards their expenses received from the organiser amounting to Rs.25 is enclosed. I request that Government may be pleased to accord sanction for payment of the same from the Elementary Education Funds of the Council. The payment will be met from the allotment of Rs.1,800, provided under 'contingencies - other items' in the budget of the council relating to education for 1933-34.

A copy of the council's resolution is enclosed.

Your obedient servant,

Chairman, M.C.

2. The conference appears to have been more a social gathering in which drama and recreation were given much importance than a conference of teachers and pupils to discuss educational matters and to exchange views. It is doubtful whether the conference was of any real benefit to the pupils or teachers. In view of the above there is no justification for allowing the expenditure.
